PATENT  
PU020299

**Remarks/Arguments**

Applicants provided a response dated April 8, 2008, that was responsive to the non-final Office Action dated November 14, 2007. This response is further to that earlier response. The present amendments further clarify what is being claimed, and will hopefully expedite prosecution.

Claims 7, 9, and 10 are amended. No claims are cancelled or added. Accordingly, claims 1-11 are pending.

It is respectfully submitted that all the claims pending in this patent application are in condition for allowance. Reconsideration of the application and allowance of all the claims are respectfully solicited.

If, however, the Examiner believes that there are any unresolved issues requiring adverse final action in any of the claims now pending in the application, it is requested that the Examiner contact the applicants' attorney at (609) 734-6817, so that a mutually convenient date and time for a telephonic interview may be scheduled for resolving such issues as expeditiously as possible.

No fee is believed to be due, but if any fees are determined to be due, or any credits, please charge those fees/credits to Deposit Account No. 07-0832.

Respectfully submitted,

CARL L. CHRISTENSEN ET AL.
